

What Every Pilot Needs to Know About the Airworthiness of The Planes They Fly

David Hays, Memphis FSDO Airworthiness Inspector will share need to know information covering the things ALL pilots need to know about the airworthiness of ANY plane they fly - whether they rent or own. You may be surprised by what all that includes.

Directions: Safety Meeting will be held in the FBO conference room. But, come early and join everyone for breakfast. Pancakes, bacon, sausage, juice and coffee served from 7 am to 10 am, Adults \$5 Children 12 and under \$2.50.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
